PROGRAMME OF MEETINGS

2025 – 2026

Visitors are welcome at the meetings, for which a small donation (£2) is suggested.

There will be an allocation of up to 15 minutes at the beginning of each meeting for “notes and queries” from members. The objective is to allow members to do the following:

- 1 Give a brief discourse on an item of research which they feel could be of interest to members but which does not merit a full talk. The maximum length of each contribution will be 5 minutes.
- 2 Allow members to pose queries that would help them with their research and where members may be able to contribute.
